

a program to remove space from string

Algorithm:

Step 1: Start

Step 2: Enter a string

Step 3: $len = strlen(str)$

Step 4: for $i=0$ to $i < len$

if $(str[i] == ' ')$

for $j=i$ to $j < len$

then $str[j] = str[j+1]$

process len

Step 5: output string after removing spaces

Step 6: stop.

Flowchart:
